

## **INTRODUCTION TO THE LONDON INSURANCE MARKET**

### **Course Description**

This course will provide an insight into the London Market, including an explanation of its institutions, the market place, the role of the participants, and an update on the evolving market processes and procedures.

### **Target Audience**

The course will be of value to anyone who has just joined the industry, or who wishes to broaden his/her knowledge of how the market operates. It will also be very useful to anyone from outside the London Market, but who has business involvement in London.

### **Course Objectives**

On completion of the course delegates will:

- Understand the importance of the London Market
- Have an understanding of the processes and procedures of the London Market
- Understand the role of the London market participants, institutions and associations

### **Course Format**

The course will be presented by a lecture, discussion, exercises and case studies.
