

DIRECTORS' AND OFFICERS' AND MANAGEMENT LIABILITY INSURANCE

Course Description

The course will provide delegates with an explanation of the legal and technical aspects of the liabilities facing the management of companies, including Directors' and Officers' Liability, Corporate Liability, and Employment Practices Liability. This will include an outline of the responsibilities and liabilities of directors and officers, and the insurance cover available. The course will relate mainly to English law and practice with some reference to the USA.

Target Audience

This course will be of interest to anyone who is new to Management and Directors' and Officers' Liability business or has knowledge they would like to enhance.

Course Objectives

On completion of the course, delegates will:

- Understand the roles and responsibilities of directors and officers
- Have an understanding of relevant legislation and case law
- Understand the extent of cover provided by a Management Liability policy
- Have knowledge of the underwriting considerations
- Understand current developments in the insurance market

Course Format

The course will be presented as an interactive workshop with a combination of presentations and case studies.
