

INTRODUCTION TO THE LONDON INSURANCE MARKET

Course Description

This one day course will provide an insight into the London Market, including an explanation of its institutions, the market place, the role of the participants, and an update on the evolving market processes and procedures.

Target Audience

The course will be of value to anyone who has just joined the industry, or who wishes to broaden his/her knowledge of how the market operates. It will also be very useful to anyone from outside the London Market, but who has business involvement in London.

Course Objectives

On completion of the course delegates will:

- Understand the importance of the London Market
- Have an understanding of the processes and procedures of the London Market
- Understand the role of the London market participants, institutions and associations

Course Format

The course will be presented by a lecture, discussion, exercises and case studies.
