9 - 11 SEPTEMBER 2020  
CLARE COLLEGE, CAMBRIDGE

### **THE CONFERENCE**

This is the twenty-seventh Conference organized with the support of the Liability Underwriters Group. The Conference will once again cover a wide number of issues including:

- The state of the market
- A review of some emerging risks
- Policy coverage issues, particularly in relation to emerging risks
- Legal developments impacting on Liability business.

There will be plenty of opportunities for delegates to join in discussions. Time is set aside after each presentation for questions, delegates will be able to take part in the Debate, and issues can be raised by delegates for consideration by the Conference.

### **WHO IS THE CONFERENCE FOR?**

This Conference will be of interest to anyone involved in Liability Insurance: underwriters, brokers, claims managers, risk managers and lawyers.

### **THE VENUE**

Clare College is the oldest college in Cambridge with excellent conference and residential facilities.

### **THE LIABILITY UNDERWRITERS GROUP**

The Conference is supported by the Liability Underwriters Group (LUG), a Committee of the International Underwriting Association of London Ltd (IUA). LUG was formed over 35 years ago by leading underwriters in the London Market with a view to improving levels of knowledge in the market as a whole. Membership is open to all IUA members together with invited underwriting representatives from other syndicates and companies. LUG presents a forum for discussion of issues of interest to the Liability Market. It also seeks to promote sound principles for best practice, provide education to its members and formal liaison with other professional bodies. This Conference gives the members of LUG the opportunity to further its aims and to involve others in the industry who have an interest in Professional Indemnity Insurance.
