

Award in London Market Insurance Preparation Course

LM1 – London Market Insurance Essentials LM2 – London Market Insurance Principles and Practice

Course Description

The Course provides a detailed analysis of all elements of the syllabus in preparation for the examinations. The Course will include specimen tests to be taken under test conditions.

Target Audience

The Course will be suitable for all those intending to take the ALMI which is strongly recommended for anyone who is involved with business being placed in the London Market.

Delegates will be expected to have studied the texts prior to the Course.

Course Objective

To prepare delegates for the examinations by providing a knowledge and understanding of basic insurance principles and practice, including how the profession conducts business within the London Market and the various organisations that make up the market.

Course Content

All Elements of the ALMI Examination Syllabus

Presenter Tony Gregory BA(Hons) FCII

Tony Gregory is Managing Director of Insurance Market Conferences. He had many years experience in the London Market underwriting Liability and Professional Indemnity business, before establishing IMC. He is a Fellow of the Chartered Insurance Institute and a Vice-President of the Insurance Institute of London. He was the leader of the Insurance Institute of London's Research Groups on *Professional Indemnity Insurance* (First Edition) and of *Liability and Accident Compensation*.
