

## **INTRODUCTION TO MARINE WAR AND TERRORISM INSURANCE COVER**

### **Course Description**

This course provides an introduction to the cover provided by marine war, strikes and terrorism clauses and wordings in the London Market. It provides a broad knowledge and understanding of war and terrorism wordings.

### **Target Audience**

The course is suitable for anyone who wants to extend their knowledge of war, strikes and terrorism risks in the current market. Suitable for both underwriting and broker staff, in placing and claims. The course assumes no prior knowledge. The course will also be of use to anyone who works in underwriting or broker back up who needs a broad knowledge of the subject.

### **Course Objectives**

On completion of the course delegates will:

- Understand how war and terrorism cover has evolved
- Understand the problems of defining cover and obtaining information
- Understand the exclusions on marine hull policies and how these can be covered in the marine market

### **Course Format**

The course will be run as an interactive presentation with discussion and relevant case studies and exercises.

### **Course Content**

- Review of Marine War and Terrorism Insurance
- Defining the cover and obtaining information
- An analysis of the particular clauses including
  - Exclusions under ITC Marine Hull Clauses 1.11.95
  - Cover provided by Institute War Clauses – Hulls

**Trainer**      **Len Wilkins**    **FCII**

Len Wilkins has worked in marine and aviation insurance in both underwriting and broking. He has been involved in training for many years. He runs his own training consultancy and is employed by many organisations in the London insurance market. He has acted for Government Agencies, Banks and insurance companies and is an honorary visiting Lecturer University of Manchester Institute of Science and Technology. He is also a contributor to a number of Sweet and Maxwell publications on insurance and CII text books.
