Trainer Bill Cundiff

Bill Cundiff started his insurance career in 1972 as a retail agent selling mutli-lines of insurance, including life and health insurance. Since then he has managed independent agencies for other owners, developed his own independent agency and been a consultant in property/casualty. Bill formed Insurance University in 1994 to provide quality insurance training programs for insurers and agents. Today, Insurance University reaches insurance professionals from Hanoi to London through interactive classroom presentations and Insurance University Online. In addition to classroom and online training, Bill acts as an education consultant for insurers and agents. Bill has become popular in the London market delivering a number of diverse programs on the U.S. market since 2005. "The Risk Channel" features a number of interviews with Bill on U.S. markets.
