

Lloyd's and London Market Introductory Test (LLMIT) Revision Course

Course Description

The Course provides a detailed revision of all elements of the LLMIT syllabus in preparation for the next Test. The Course will include a specimen test to be taken under test conditions.

Target Audience

The Course will be suitable for all those intending to take the Lloyd's and London Market Introductory Test. It is strongly recommended that anyone who is involved with business being placed in the London Market should take this Test.

Delegates will be expected to have studied the Coursebook prior to the Course.

Course Objective

To prepare delegates for the Test by providing a knowledge and understanding of basic insurance principles and practice, including how the profession conducts business within the London Market and the various organisations that make up the market.

Course Content

- Knowledge and understanding of insurance principles
- Knowledge and understanding of the main classes of business
- Knowledge and understanding of the legal principles affecting insurance
- Knowledge and understanding of reinsurance
